

## Built by Athletes. For Athletes.

More than 30,000 athletes use Opendorse to understand, build, protect, and monetize their brand.

### What They Do

Opendorse provides technology to the athlete endorsement industry. They serve the full lifecycle of supporting athletes:

- » Educating
- » Assessing
- » Planning
- » Sharing
- » Creating
- » Measuring
- » Tracking
- » Disclosing
- » Regulating
- » Listing
- » Browsing
- » Booking

Their industry-leading products help athletes understand, build, protect, and monetize their brand value.

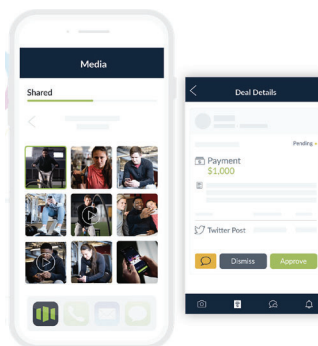

### Partners

Opendorse works with the most forward-thinking people in sports, including thousands of organizations:

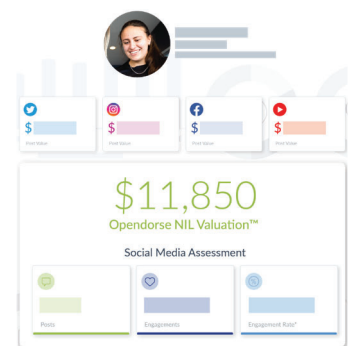

### Build Your Brand

Maximize your social content. Grow your followers with drag-and-drop media libraries, one-tap publishing technology, and real-time analytics in one powerful platform.

### Educational Toolkit

Opendorse offers custom NIL valuation assessments, consultation sessions with industry leaders, and best-in-class resources.
